

# INTERVIEWING TIPS FOR NURSES

1. Arrive early
2. Look the part, dress appropriately
3. Smile please
4. Firm handshake and eye contact in and out
5. The grand entrance (walk-in with confidence, not arrogance)
6. Prepare for the questions they might ask
7. Be positive
8. You are not a machine gun (pause between answers)
9. You should ask questions too
10. Grand exit (leave the interviewer with resume, references, letter or recommendations, and training / licensure documentation)
11. Send a thank you after the interview
